

Be a  
*Champion  
of Change*

in St. Louis's  
Metro East

Let's build Living The Word Church's home together.

Create A Place Where People Find

# *Healing & Grow*

**Into Wholeness.**

## **This is not about a building...**

At Living The Word Church, we create an atmosphere where people **find healing, restart their fire, and help make a difference.**

### **Our members:**

- Provide for the needy in St. Louis and around the world
- Address the school-to-prison pipeline through reading programs
- Mentor entrepreneurs through startup into success
- Create healthy conversations around racial reconciliation

Until now, we've done all of this without a permanent home of our own. We recently stepped out to purchase a new property at 17 Gateway Drive in Collinsville, just behind the Gateway Convention Center, close to I-55.

To date, we've raised \$1.2 million to acquire the building and begin a complete remodel of the space.

We're currently at the very end of phase Phase I, preparing 18,000 square feet of building space and six acres of land for occupancy. To complete this phase, we need your help.

How Living  
The Word Is  
*Making a  
Difference*

**25,000 St. Louis Area  
Families Fed**

during the pandemic through our  
partnership with Project Compassion.

**280 Hours Reading with  
First-Graders**

through Katie Harper Wright Elementary's  
literacy program in East St. Louis.

**1 Zimbabwean Village (3000  
People) Received Clean Water**

Our congregation donated to this and other  
clean water projects worldwide.

**425 Online Bible Study  
Participants**

Even during the pandemic, our congregation  
remains tight-knit Jesus-followers.

# Firm *Foundation.* Constant *Innovation.*

As Living The Word Church, Jesus is at the center of all we do. His love and life inspire us to action.

Our building will be a place where people can come together and grow. It's a place from which they'll go back into the world to make a difference.

## **A Place of Healing**

This is where people tell their stories, share struggles, and build each other up.

## **A Fresh Fire**

This is where we ignite conversations to unite a divided region.

## **A Greater Purpose**

This is where people find tangible ways to do good in the wider world.

We've raised \$1.2 million already, and every dollar has gone into purchasing and rehabbing our new home. Our projected budget for the entire project is \$3 million.

**But for us to meet together in our new building for Spring 2021, we only need \$760,000 to prepare the space for occupancy.**

## Here's How You Can Help

### 1. Join Us in Prayer

Whether or not you want to give today, will you pray for us?

Pray that we'll meet our goal for more effective work here in the St. Louis area.

### 2. Give Today

We don't love buildings. We love building victorious disciples of Christ.

Your gift will help us complete renovations and bring our church body together for effectiveness.

### 3. Pledge Monthly

We're just in Phase I of our project! Phase II includes a 650-seat auditorium and more.

Invest in the future through a monthly recurring gift.

**You can help us meet our next benchmark goal of \$760,000.**

**You can provide a place where people live in *Restoration*.**
